Government's Representative Takes Personal Charge of Place.

BULGARIAN SITUATION NOW SERIOUS

Approach of Turkish Troops to Border May Bring Orisis.

POWERS PLAN FOR A NEUTRAL PACT

Russin and Austria Are Not to Give Support to Either Side, but Hold Both Accountable for

Their Actions. WASHINGTON Sept. 11.-The Navy department today posted the following buile-

Admiral Cotton telegraphs from Beyroot, 12th list. that he had exchanged very satisfactory visits with the governor general. The governor general has personal charge of the vice consulate.

Twenty-eight persons, including the principals in the disturbances of last Sunday, have been arrested.

Beyroot is quiet. Administration of new governor general inspires confidence. The former governor general ieft on the 12th list. for Constantinople

captured. The minister informed Acting villages to the orthodox faith. Secretary Adee that the operations of the Secretary Adee that the operations of the Turkish troops recently has led to the capture of a large number of Buigarian capture of a large number of Buigarian being and that a state of panic exists among them in consequence of the determination of the suitan to suppress their lawless acts.

The correspondent further recounts another recent brutal murder at Alexandropol railroad station in the presence of a secured through his genius and statesman-ship, will erect monuments in his honor. Also the people of Porto Ricc and the far derer easily made his escape.

Judicial investigations of the many murders committed, it is asserted, show that ried to them the blessings of republican government.

Turks Raid Bulgarian Frontier,

BERLIN, Sept. 14.-A dispatch to the Frankfort Zeitung from Sofia, Bulgaria, says Turkish troops have raided the Buigarian frontier near Tekensche and have driven off their herds of sheep.

The dispatch adds that Torkish soldiers at Kirk-Killsseh, in Turkish territory, fired on the French consulate, breaking the windows. A party of Turks bivouvacing near Globetpe had with them twenty Bulgarian women and girls. Five hundred fugitive women and children have arrived at Tekendache.

PARIS, Sept. 14.-The Foreign office advices from Bulgaria show that the situation is growing more serious, owing to reports that the Turkish troops are slowly nearing the border. If their advent continues there will be a general mobilization of the Bulgarian forces preparatory to meeting eventualities.

A Russo-Austrian note to the powers has tenable. sideration. It sets forth that in the event of hostfilties between Turkey and Bulgaria, Russia and Austria will not give their support to either of the parties, but will hold each of them to a strict accountability for their actions. It is expected that France Bulgaria. will adhere to the Russo-Austrian attitude.

Will Adopt Guerilla Methods, SOFIA, Bulgaria, Sept. 14.-Warned by previous disastrous experiences, the revolutionary leaders have decided to adopt only guerilla tactics in eastern Macedon's The policy of occupying towns and villages proved a mistake, as it has usually resulted in Turkey reoccupying the villages, destroying everything and killing the inhabitants, the insurgents being hampered in their operations by the women and chilguerilia warfare is expected to tactics will result in the women and thilon their way to the frontier. The Turkish without effect. forces now in eastern Macedonia are estimated at 17,000.

In the conflicts in the mountains of Pirir the Turks are reported to ave lost heavily in dead, while a great many were wounded. The revolutionaries had only one slightly wounded. The peasants are welcoming the Insurgents everywhere with the greatest enthusiasm.

A panic prevails in the town of Velo The soldiers permit no one to leave Velos and the peasants in the surrounding villages have all been killed and their villages lestroyed. Complaints made to the civil and military authorities have been without avail.

Belgaria Appeals to Powers

The Bulgarian government, through its foreign representatives, has addressed a note to the great powers declaring that the porte is systematically devastating Maceionia and massacreing the Christian population. Further, it says. Turkey has mobilized its whole army, which cannot possibly be for the sole purpose of suppressing the revolution, therefore the Bulgarian goverament appeals to the humane sentiment of Europe to prevent the continuance of the massacres and devastation and to stop the mobilization of the Turkish army. The don today. The Alaska Boundary commimemorandum concluded with the plain sion will meet at the Fareign office tomorstatement that unless the powers interfere row. Attorney General Finlay will make Bulgaria will be forced to take such meas. the opening address in behalf of Canada.

es as it may deem necessary.

Note May Mean Much. LONDON, Sept. 14.-The important note sent by Bulgaria to the powers declaring that unless the latter interin Macedonia Bulgaria will be forced to take such measures as it may deem necessary, is held to be a prelude to the mobilization of the Bulgarian army unless Europe exerts itself in some way to prevent a conflict, and there is probably some connection between this eventuality and the decision of the revolutionists in prevent the guerilla tactica which may be

FERDINAND IS IN DANGER

Lives in Castle with Passage to River so that He Can Escape.

BERLIN, Sept. 14.—An extraordinary letter, purporting to have been written by a Bulgarian statesman, appears in the Kleine Journal.

The writer asserts that a subterranean passage leads from the castle of Euxinograd, where Prince Ferdinand lives as though besieged, to the river, through which the prince can escape by water when convinced that his position is no longer tenable.

The wides that the Princes Clementias and confidence of his countrymen and the name was a beneficant in fluence throughout the world. We stood speechless in the midst of uncommon sorrow. Our great and beloved leader, by some mysterious providence, fell in the plentiude of his strength. Upon the day of his septiture, rulers and peoples in many foreign lands united in impressive memorial service and the flags of all nations were in mourning. Throughout the great republic busy trade stood still, the telegraph was silent, and as by some common impulse, steamships and railroad trains stopped and the people uncovered in the streets or knell in the prince for knell in the prince with the castle of Euxinograd, where Prince Ferdinand lives as though besieged, to the river, through which the prince can escape by water when convinced that his position is no longer leader to the many two damong us at the very zenith of his power. He possessed in full degree the affections and confidence of his countrymen and confidence of his countrymen and beloved leader, by Without warning the cruel bolt fell. Miller. The Omaha police have been noti-

Count Jules Desgraeff appeared in Omaha about five weeks ago. He secured employment in the barber shop of Rome Miller i the Millard hotel. The count was a smooth individual and succeeded in gaining the confidence of Mr. Miller by his apparently after he arrived he called upon his embring his family here from Chicago. The Deagrneff again appeared, this time with a \$50 draft, drawn on the same bank to dorsed, and that was the last seen of the count in this city. Both drafts were returned unpaid a few days later. Circulari descriptive of the man were gotten out and sent to all parts of the country. Mr. Miller said he did not care so much for the money lost, but desired the prosecution of

Story of Mutiny is Denled.

NEW YORK, Sept. 14 -- A report that th nembers of the crew of the battleshi Kearsarge are on the verge of mutiny an that 120 of them are incarcerated in the brig of the ship, was denied today by Cap-tain Hemphill of the ship. At no time dur-ing the trip, he declares, had more than nine men been locked up.

OPPOSITION MADE TO CHAMBERLAIN

Colleagues in Office Refu e to Accept His Fiscal Proposals.

COLONIAL SECRETARY LOUDLY HOOTED

Police Required to Cler: Lead for Him to Cross C . . .

LANSDOWNE WILL HIS ACCUSERS In Spite of Critic am Regarding Roer Conflict Secretary of State for War Wist Continue to

Bold Place.

LONDON, Sept. 41.-From all parts of the country and the continent, the cabinet the meeting which was regarded as narking the most important phase in the case

cent political history of the United King The Times voiced public sentiment to saying it was a "great occusion," more important than the historic meeting when home rule was uppermost, for the main issue today is the "unity of the empire Not since the fatal day when the cabinet framed an answer to President Kruger's ultimatum had such crowds gathered

around Downing street. From early morning lotterers assembled here in the hope of catching a glimpse of the polical leaders. However, when it was announced that the cabinet would not meet

Mr. Balfour, who arrived in London from Scotland yesterday evening, went to Downing street early. in the contract which is now in force that treasury officials were closeted all the norning with Mr. Balfour's secretaries. going over the statistics on which the cabinet is supposed to base its decision for or against free trade. Mr. Chamberlain, who was the central figure in today's proceedings, left Birmingham, accompanied

by his wife. A large crowd bid them farewell at the railroad station. On their arrival here Mrs. Chamberlain went to their London home, and Mr. Chamberlain proceeded to

the colonial office

Chamberlain is Hooted. Upon the arrival of Mr. Chamberlain at Downing street he was loudly hooted. A crowd of laborers employed nearby joined Patrolman G. W. Barnes, for leaving his in this unusual demonstration against the colonial secretay. Mr. Chamberlain, who was accompanied by General Balfour, presi-

> The police eventually were obliged to form double lines from Mr. Balfour's party to the foreign office so to enable the cabinet ministers to enter the latter place. Another meeting of the cabinet will be held tomorrow. It may, therefore, safely be assumed that no definite decision

The cabinet meeting ended at 5:50 p. m Patrick Roche severely for failure to re- It transpired that the predicted decision in the cabinet over Mr. Chamberlain's fiscal proposals actually occurred and that a Ellen M. McTerney of Brooklyn performed night and the Engineer, James Ferguson of this offense was becoming entirely too common in the fire department, and that it probable. Mr. Ritchie expressed his unalterable opposition to any change in the fiscal system and nothing is believed to have occurred to modify the opinion hald this morning that he will resign the chan-

cellorship of the exchequer, In spite of the South African War commission's severe criticism of Lord Lansdowne's course as secretary of war, it is declared that he proposed to remain at the head of the Foreign office.

LONDON, Sept. 14 .- As head of the Forrigh office, it was remarked by one who knows his views, that he has made quite a different record in his present place than when as secretary of state for wars he had to contend with the opposition of Lord Woolsley. Besides the fiscal of a ton and the effect

depart from its policy in not advocating the concert of the powers. It is said the meeting tomorrow was called for the purpose of further considering matters of another nature. It is stated positively that the fiscal de-

on the country of the publication of the

War commission's report some attention

was given to the Balkan situation, but con-

fidence prevails that Great Britain will not

bate was carried through without fresh developments.

Guesners Are at Sea The ministers kept secret the discussions of yesterday's cabinet council so effectually that the speculation as to the results is almost nugatory and the government press organs this morning offer the most conflicting accounts of what took place at the meeting. The Daily Telegraph, which is probably the best informed, asserts that the cabinet crists was postponed until this straightforward manner. About two weeks evening and the discussion of the finance question will be continued at the resumed ployer and requested that he cash a \$20 meeting today, but whatever may be the draft for him, stating that he wished to upshot, Premier Balfour will neither resign. dissoive Parliament nor summon an autumi draft was not cashed, but was endorsed by session. The Daily Telegraph also discusses Mr. Miller, who thought no more of the the question of a royal commission being matter until a few days afterward, when appointed to consider the whole finance question. The Standard, on the other hand. asserts with equal positiveness that the finance inquiry was finished and the adjourned meeting will deal with foreign

MISSOURI PROBES BRIBERY Attorney General Now Has Papers Which Are Supposed to

Show Guilt.

JEFFERSON CITY, Mo., Sept. 14, -Tid; afternoon Judge Hazell ordered letters directed to the foreman of the grand jury turned over to Attorney General Crow and Prosecuting Attorney Stone for examination and use as they may you fit before the grand jury. Four parkages of letters were presented. One is supposed to contain the letters sent to Kelley by John A. Lee. Auother contains the manuscript of the sermon by Rev. C. S. Brooks, attacking the prosecuting attorney. The other two are from the Audubon society of St. Louis, and are supposed to relate to the violations of game and fish laws. George J. Schuite of St. Louis, E. Y. Mitchell of Springhell General Green Clay of Mexico, Senator E. M. Zevoly of Osage county. Watson E. Robertson of St. Louis and James M. Crutcher of Moberly were witnesses by fore the grand jury this afternoon

Senator Zevely introduced an insurance oill which Editor Page supported but which fuited to 'pass. It is supposed that he was Naples-Sailed-Perugia, for New questioned as to Page's support of the bill for which it is alleged he received \$1,000
